

## CITY YEAR HELPS STUDENTS AND SCHOOLS SUCCEED.

City Year helps students and schools succeed, while preparing the next generation of civically engaged leaders who can work across lines of difference. Diverse teams of City Year AmeriCorps members provide support to students, classrooms and the whole school. Schools that partner with City Year are up to two to three times more likely to improve in English and math assessments, and the more time students spend with AmeriCorps members, the more they improve on social, emotional and academic skills— skills that help students thrive in school and contribute to their community.

A proud member of the AmeriCorps national service network, City Year is supported by AmeriCorps, local school districts and private philanthropy. City Year partners with public schools in 29 communities across the U.S. and through international affiliates in the U.K. and South Africa.

We are asking you to sign this photo waiver as you will be attending the SSC Learning Network Residency on November 15-16, 2023. We may photograph and film attendees. As part of the Residency will be in schools, we also will be capturing images from the school setting. The photos and videos we collect will be used on our website, social media and printed materials. Thank you for your help!
